ROSEWOOD RAISED LID

WOOLLEN

All prices include GST

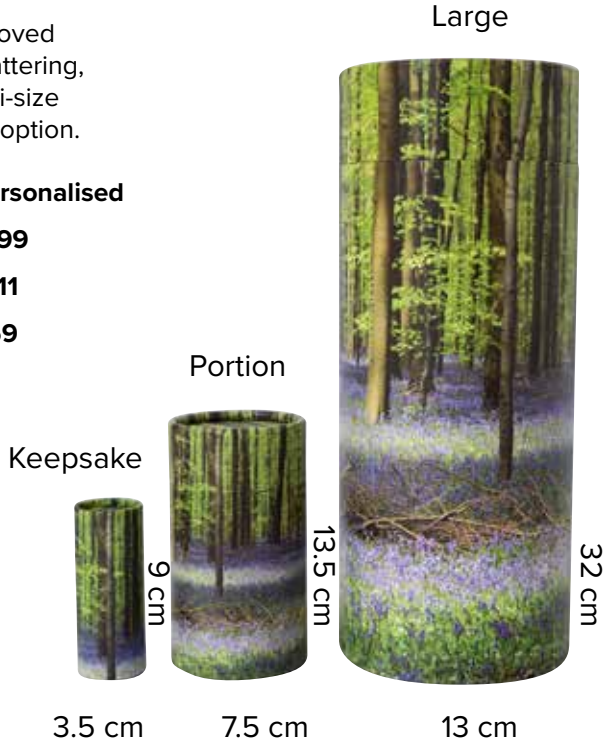

Scatter Urns

Scattering Tube Urns are designed and engineered to simplify the scattering process. The tubes are durable, dignified and simple to use. Each features a convenient removable lid and an industry-first, perforated “push in” tab that opens easily prior to scattering.

If multiple family members or loved ones want to participate in scattering, even in multiple locations, mini-size scattering tubes allow for that option.
